**Subject:** RE: Water Data - PCorp mines 1Q

Aaron,

I have uploaded all of the remaining information for the PacifiCorp mines from the pipeline into the database. A report is attached.

As a reminder, according to parameters set by the assigned hydrologist, you are still missing the February and March samples for UT0022896-001at Cottonwood/Wilberg (you have two samples for January), and the quarterly sample for 18-1-1 at Trail Mountain.

Please let me know if you have any questions.

Thank you,

Dana Dean, P.E.

Dana,

I have submitted the rest of the data. So the first quarter should now be complete.

Thanks  
Aaron
